ServiceMaster Solutions 2nd Annual School Supplies Drive

ServiceMaster Solutions will be hosting our 2nd Annual School Supply Drive. For many families, school supplies can be a burdening expense and with our combined efforts, we can alleviate some of that stress by providing educational necessities.

Last year we were able to provide supplies for approximately 75 children & teens. Our goal this year is to provide supplies to 200 students nearly tripling the number from last year! Any amount of donation; check, cash or supplies would be greatly appreciated and 100% will go to benefit the education of our youth.

Below are estimated amounts per student and by grade levels. Thank you for your consideration and have a fabulous summer!

****We will match 100% of all contributions****

Elementary: \$10 per student
Middle School: \$12 per student
High School: \$14 per student
